Located next to the Trout Lake Community Centre playground, on the west side of the lake.

11:00 AM – 1:00 PM

Join us for a special workshop with Leona Brown, an Indigenous Independent Cultural Facilitator.

Learn what it means to be in relationship with the land and decolonize our connections to each other and to the earth. Harvest plants and medicines from the garden, and learn how they can be used, from teas to salves.

Join us after for some light gardening. Refreshments will be provided.
